Hello July & August!

Can you believe we are already here? So many fun events are planned this summer, so please come out and join us. Our lodge needs us now, more than ever. If every member visited the lodge just a couple of times a year, what a difference it would make!

You may have noticed that things look a little different right now. Our wonderful administrator is currently out on an extended medical leave. The board is working on keeping things running, so please afford them some grace during this transition. Please help where you can. There are a number of projects that we are currently trying to raise money for. We unfortunately are at that point where the building is starting to age. We will be once again applying for the lodge improvement grant from Moose International, but the improvements that we need are costly. A number of years ago we raised funds to repair part of the roof, unfortunately, now, the rest of the roof is in dire need of repair. Most of the outside doors need replacing and possibly the most expensive repair will be our parking lot. The lodge recently had an emergency and needed to replace our large water heater in the kitchen. I'm sure you all know, the cost of everything has gone up.

So you are probably asking yourself, what can I do to help? You can help in a multitude of ways:

- Show Up
- Volunteer
- Make a donation
- Purchase Raffle Tickets
- Help new members join
- Share the fun you have at the Lodge
- Pay your dues early

Thank you for being Member of our Moose Family. We appreciate you. See you at the Lodge!

Good day fellow Moose Members

As some of you may have heard, our Administrator has taken a leave of absence, the length, at this time, is undetermined.

Our treasurer will assume the duties, per International rules. In the meantime, because of all the upheaval this will cause, I ask for your understanding and cooperation. The changes are not meant to cause any problems, they are needed to help the Lodge get past the "road bumps" we are going to come across. Most of the changes are just housekeeping while others are procedure changes. Working together, these changes will make our Lodge stronger and run better.

If we all work together, we should have little or no trouble reaching our potential.

The Family Spring Carnival was fun for all the attended. Thank you to all my volunteers.

The summer events are here at the Moose. Watch the calendar, posters and email blast for event dates and times. There is always something going on at the MOOSE.

I would like to extend a BIG Thank You to Leon Rosko for all his years of Sports Chairman.

Be sure to buy your tickets for the District Johnson Product basket. \$5 each 3 for \$10

I thank each of you in advance for your support, help and understanding.

Paul Baumeister - President

NO Application Fee
May 1 — December 31, 2024
to join The Moose online

Beginning May 1, 2024, the \$20 application fee will be waived for new (enroll or re-enroll) applicants paying 2 years of dues and using the online application process only. This will not only promote and encourage use of the available technology but incentivize member production, giving the lodges an extended opportunity to showcase the benefits of Moose/ lodge membership to include our fraternal endeavors as well as the local lodge amenities. This program will be evaluated on an ongoing basis and is scheduled to end Dec. 31, 2024.

Anyone interested in learning more about the Moose organization is encouraged to view the video message on our www.beamoose.org website where they will also have an opportunity to access the online application.

If you are a current member looking to sponsor a prospective member into the Moose Fraternity, please use our online application at www.beamoose.org.

The Moose Fraternity is a private organization. This correspondence contains general information available to the public, but should not be construed to be a solicitation for membership. To be part of the Moose organization, you need to be invited by a current member.

Hi,

This year we are continuing the Burger Bar on the 2nd and 4th Monday of the Month from 4:30 until 7 PM. Thank you to those who have come to help with preparing and cooking the food. We also appreciate everyone who comes out to eat. We can always use help, so if you have some time, we would love your help. We also love to see people come and enjoy a burger.

I would also like to thank everyone who helped with the Father's Day lunch! We appreciate everyone who donated sides to go along with the sandwiches. We cannot pull off these events without the help and support of our members, so thank you again! We would also like to apologize for the mix-up on Fathers Day. The event was discussed and article written for newsletter. Once plans were being made there was a conflict with the use of the hall and we did not have enough volunteers to make the breakfast happen. Posters were put up with the changes and emails were sent so please watch for calendar update via these communication tools. We are a volunteer organization and our events depend greatly on their help.

"A burden heavy to one is borne lightly by many"

We are getting ready for the Wisconsin Women of the Moose Chapter Rally Days on August 9th-11th, 2024. We are hosting this event this year. This event will bring Chapter members from all over Wisconsin to our Kenosha Lodge. I would love to see many of our Kenosha Chapter Members attend this event. The Theme is Hepburn's Breakfast at Tiffany's.

July is Fraternal Activities month the special project is to provide funds for the Mooseheart Girls' Athletic Program.

August is Higher Degree month honoring our star recorders. The special project is to provide continuing funds for the Mooseheart Boys Athletic Program.

Please try to attend our monthly meeting to see the special presentations we have planned for these projects.

If you have been wanting to get more involved, I invite you to join us at our membership meetings on the 1st and 3rd Tuesday of the month at 7 PM.

I really want to see more of our members getting more active.

If you have questions, please reach out.

Thank you,
Joanne Horner
Sr. Regent
